Worldwide Inventories

Worldwide Inventories

- **DoDM 4140.01-M-V11 Management of Intensively Managed and Tracked Items (Draft), contains Inventory Requirements**
 - **Classified and Sensitive and NWRM Items**
 - **Recurring Inventory Schedule (Annual/Semi-annual)**
 - **Also requires Worldwide Inventories be accomplished**
- **AF expects additional Inventory Requirement for NWRM, Classified and Sensitive items**
 - **Out-of Cycle (Special); Lost/unaccounted items**
 - **Avoid “casually” writing-off assets**
- **NWRM will only be in AF control**
 - **No current Air Force Policy Processes**
 - **Will develop as we stand-up our Positive Inventory**

Control functions - Integrity - Service - Excellence

Worldwide Inventories

- **What about items in DLA owned warehouses**
 - **Are there defined policy/processes?**
 - **AFMCR 67-9 defined AF processes; obsolete and no longer available**
 - **Who do we contact? What costs are involved?**
 - **Quick turn-around will be required**

- **Guidelines for implementation will have to be developed**
 - **Prevent Item Managers from requesting worldwide inventory without sufficient justification**
- **Way ahead to develop standardized process**
 - **Suggestions: IPT, teleconferences**
